REQUIRED COURSES

California Dental Practice Act and Infection Control – Ticketed Admission Only

The Dental Board of California mandates continuing education in infection control and the California Dental Practice Act. Every renewal cycle, California law requires licensed dentists and specified allied dental health professionals to complete 2 units in infection control and 2 units in the California Dental Practice Act in Category I. CDA is proud to present the following courses that will fulfill these required units for license renewal.

Please note:

- Admission to these C.E. courses will be by ticket only.
- Seating is limited. Tickets will be sold on a first-come, first-served basis.
- You may purchase your ticket in advance by completing the registration form on Page 15 or registering online. Tickets are \$20 and will guarantee your seat in the course.
- If available, tickets will also be sold on-site at the Ticket Booth located in the registration area of the Anaheim Convention Center.
- There will be no late entries allowed. The California mandatory education requires 2 full hours for credit. It is strongly recommended that you arrive a minimum of 15 minutes in advance of the published starting time.
- Licensees are only required to attend one class on the California Dental Practice Act and one class on infection control each renewal period.

Infection Control for California

Dental Board requirement for 2 units: This program provides you with the latest educational requirements specific to CCR section 1005, the Dental Board of California Infection Control Regulations, to include handwashing techniques, sterilization and disinfection protocols. Also discussed will be the Cal-OSHA bloodborne pathogen standard, California Department of Health services waste management and CDC/ADA recommendations. Note: The 2-hour course does not meet the new Infection Control education requirement for unlicensed dental assistants.

California Dental Practice Act

Dental Board requirement for 2 units: This seminar meets the new C.E. requirement for California Dental Practice Act education, including the new one-time course requirement for unlicensed dental assistants. It discusses information and updates to the Dental Practice Act regulations on scope of practice, acts in violation of the Dental Practice Act and attending regulations, and other statutory mandates relating to the dental practice. This includes utilization and scope of practice for auxiliaries; scope of practice for dentists; laws governing the prescribing of drugs; citations, fines, revocation and suspension; and license renewal.

New Educational Requirements for Unlicensed Dental Assistants and Other Office Personnel

Beginning January 2010, dental assistants or any other individual in the dental office performing any of the duties of a dental assistant will have a ONE-TIME only educational requirement to complete the existing 2-hour California Dental Practice Act course and a new 8-hour comprehensive Infection Control course. Additionally, they will be required to maintain a current, basic life support certificate. CDA is currently working with the Dental Board of California to clarify questions in order to implement the new Infection Control course requirement. It is CDA's plan to have tools available for local dental societies and individual CDA members who may wish to become providers of the 8-hour Infection Control course.

Note: The 2-hour infection control course required of all licensed personnel (dentists, registered dental hygienists and registered dental assistants) for licensure renewal does not meet infection control requirement.

Prepaid Early Bird Parking

To make your parking experience easier, CDA is offering the opportunity to purchase parking at the Anaheim Convention Center in advance. If you arrive by 8 a.m., this will guarantee a parking space with the added convenience of not worrying about having cash on hand. Purchase the tickets along with your registration.

The following conditions apply:

- Tickets are \$12 per day and are available for Thursday, Friday, Saturday and Sunday.
- Arrive by 8 a.m. — prepaid parking spaces will not be honored after that time.

Traffic and Parking Recommendations

If you are driving to the Convention Center, traffic is anticipated to be heaviest on Friday morning. To minimize any inconvenience, **early arrival is strongly recommended**. The peak traffic and parking time is projected to be from 8 to 11 a.m. Please watch the traffic control signs as you exit the freeway for the most updated parking information. Early arrival is also recommended for Saturday.

Off-Site Parking

CDA is working to secure off-site parking near the freeway exits with complimentary shuttle service to the Anaheim Convention Center. Due to scheduling of events at these venues, this can only be confirmed within a few weeks of our meeting. Please watch for additional information in your badge mailing, attendee e-mails or visit us at cdapresents.com for updated instructions the week prior to the meeting.
