

Leadership Development Committee

CDA is seeking experienced CDA volunteer leaders who have expertise in principles of leadership or leadership development for the Leadership Development Committee. The committee is responsible for overseeing the leadership education program and the leadership identification system. The committee's current work includes development of the Leadership Discovery Program, which is in its pilot phase, and overseeing the implementation of new training programs.

The Council's Current Work:

- Oversee implementation of new training programs for volunteer leaders.
- Monitor, evaluate and make recommendations for improvements to the Leadership Discovery Program.

Time Requirements:

- Three annual council meetings. Attendance in person is required.
- Conference calls as needed.
- Participation in online discussion and collaboration.
- Some members:
 - Participation at volunteer leader trainings.

Qualifications and Skills:

- Members in good standing.
- Leadership experience in organized dentistry, preferably CDA volunteer governance.
- Strategic thinking and decision-making.
- In-depth understanding of volunteer leadership roles and responsibilities.
- Strong communication and networking skills.
- Some members:
 - Public speaking and presentation skills.
 - Leadership experience in other organizations.
