3. Create a Job Name (Note: we suggest 'Practice for Sale'):

Job Name: *

Enter the name of the job you are posting. It is not displayed to users, but is how you will reference your job posting in your account under the My Jobs tab.

- Save as Template
- Anonymous Posting
- Include Company Profile

4. Fill in Company name and Position title for your practice for sale.

Job Basics

General information about your job opportunity.

Company Name: *

Edits to this field apply to this job, the profile visible on all jobs, and on the company directory.

Use a different company name only for this job?

Company Logo: Include your company logo with job posting Yes No

Choose File No file chosen

Stand out to job seekers by enhancing your profile with a logo!

- .jpg, .png, or .gif file formats only
- 300 x 300 pixels (recommended)
- <5MB file size

Edits to Company Logo apply to the profile visible on all jobs for this company and on the Company Directory.

Position Title: *

Enter the name of the position you are posting for users to see.

5. For Job Function, add the function that corresponds to the practice for sale.

Company Logo:

Position Title: *

Job Function: *

Select the job function for this position.

- Select one
